# Introduction

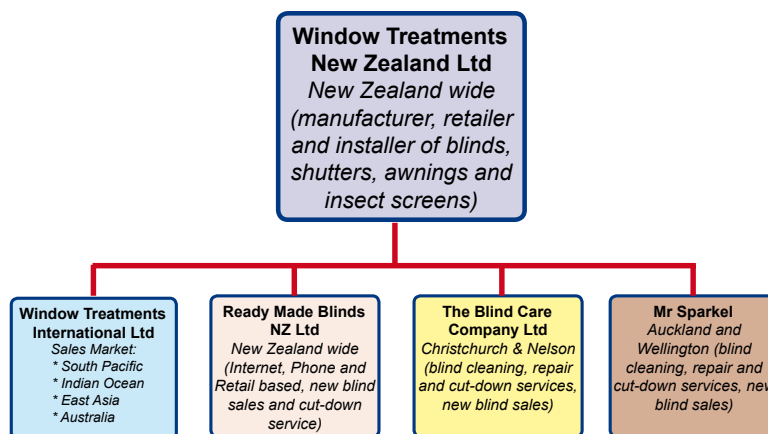

## Company Overview

Window Treatments NZ Ltd, founded in 1984, is the largest independent blind, shutter, awning and insect screen manufacturing company in New Zealand.

We design and manufacture market leading products in our purpose built Christchurch factory and distribute via our own network of branches throughout New Zealand.

We employ over 150 people nationwide and also provide a blind cleaning and repair service through our subsidiary companies, Mr Sparkel Ltd in Auckland and Wellington and The Blind Care Company Ltd in Christchurch and Nelson

Window Treatments NZ Ltd leads the market with a wide range of quality products, innovation, smart technology and attention to detail.

## Specification Contents Overview

The specification folder contains technical information on all products with their matching specifications that can be used during the design process.

Specification information within these pages is regularly updated by Window Treatments NZ Ltd, however we encourage Architects and Specifiers to call us on 0800 36 36 39 or email sales@window-treatments.co.nz for clarification or additional information that may be required.
